Minutes of the BOS meeting

- ▶ The First BOS meeting was held on 20.7.2024, Saturday-2024 in the board room of JKK MUNIRAJAH College of technology.
- ▶ The principal and chairman welcomed all the BOS members for the first board of studies meeting.
- ▶ The Curriculum and syllabi for First year (I and II Semester) B.E. **Computer Science and Engineering**, B.Tech **Information technology**, B.E. **Computer Science and Engineering Cyber Security** , B.Tech **Information technology (AIDS)** (I and II Semester) **Master of Computer Applications** and **M.E. . Computer Science and Engineering** were presented by Dr.N.SATHYABALAJI, the Chairman, Board of Studies.
- ▶ The members had brainstorming discussion and interaction among them. The outcome of the discussions was incorporated appropriately in the syllabi.

1	B.E. Computer science and Engineering & B.Tech. Information Technology	<p style="text-align: center;"><u>Suggestions In Curriculum:</u></p> <ol style="list-style-type: none">1. The committee suggested to use java as preliminary language for OOPS subject in III semester.2. The CSE and IT core courses should also be given to information and communication department students in higher semesters.3. The committee suggested to add computer architecture instead of introduction to data science in III semester.4. The subject expert suggested to use either AI course or ML course instead of using AI & ML course as both are vast areas and may lead to difficulty in focusing on both areas.5. The subject experts suggested to change the course name to Software Engineering (SE) instead of object-oriented software engineering (OOSE).6. The committee suggested to change the credits for mini project to 4 credits from 1.5 credits.7. The Main project credits should be increased to 12 credits from 10 credits as it is focused more for employability by the recruiters.

16.The committee suggested that the course code should be the same for all the courses with same syllabus and “common to” word must be mentioned in other departments syllabus except that department which framed the syllabus to avoid confusion in question paper setting.

For Ex: The syllabus for course “Data structures “framed by CSE department with course code 24CS303 should be followed by IT, AIDS and Cybersecurity and the word “common to” is mentioned in question paper for the remaining departments.

17.The committee suggested to move the Course in semester VI “Information Theory and coding Techniques” for B.Tech IT programme to professional Elective list and add the course from Electronics department “wireless communication or Mobile Communication”.

18.The course name “cryptography and Information security” in B.Tech Information Technology should be changed to “Information security” and the syllabus should be changed accordingly.
